

2016 All Star Percussion Ensemble
TIA Atlantic Coast Championship
Wildwood, NJ

Dear Percussion Director,

On behalf of the All Star Percussion Ensemble staff, we would like to invite your ensemble to participate in the third annual performance of "The Star-Spangled Banner". The performance is held at full percussion retreat in the Wildwood Convention Center on Saturday, April 30th, 2016.

In Wildwood, two rehearsals will be held. The first will be to bring the new regions up to speed. The second will be the day of the performance with guest conductor, Chief Master Sergeant (ret) Ed Teleky.

We would like to have a member from each ensemble participate in order to fully recognize every group and region represented at championships.

Please visit www.facebook.com/allstarpercussionensemble for more information about the ensemble. There you will find photos, videos, and more of past rehearsals and performances. We are in the planning stages now. We are looking for commitments by February 22, 2016 so we can begin assignments.
