1. Open the WINDI PLAYER and select **AT SHOW** (please allow time to load)
2. Enter USERNAME and PASSWORD – see above (USERNAME is case sensitive)
3. Select the event (check date) and **DOWNLOAD** each file. Make sure you download the files and not play them.
4. You will have 5 download attempts on each file. If needed, ask tabulator for assistance.
5. Click **BACK**, click **LOGOUT**. You can now disconnect from **WINDI**.
6. To listen to files, open up the WINDI PLAYER APP and this time open **USE CLOUD**. Insert your Unit and Password and select **DOWNLOAD** and the files will be there to play. Logout when finished.
7. You cannot email or upload them from your device. (phone or ipad)
8. Once the show is complete and the sound files have been loaded to the cloud (usually within 24 hours) you can still use the WINDI PLAYER APP to access your files. Follow #6 above.

**NOTE: WINDI PLAYER NOW INCLUDES A PAUSE BUTTON  BUTTON . SELECT THE PLAY  BUTTON TO RESUME.**
