Scores from each TOB Region Championship October 19-20 will determine your final performance order. The performance schedules will be available on our website on Monday, October 22 and are sent via email to each registered band director. Tentative schedules and performance/rank order have been posted on the website.

With the introduction of the TOB A Class Championship, we no longer have to “cut” bands from participation in the ACC Open Class Championship. We have great representation with 70 of the 120+ TOB A Class Bands competing in the 2019 TOB A-Class ACC. Another 62 of the 80+ TOB Open Class Bands will compete at Hershey Stadium in the 2019 TOB Open Class ACC. We are thrilled that 132 of our TOB bands will travel to the Hershey/Harrisburg region to compete in this year’s Atlantic Coast Championship Series.

Schedules, maps, FAQ and more are all posted on the website for your use – download and print all the information you will need. All files are available as pdf for easier printing. To access - pull down Tournament of Bands/ACC Information for files. Articles include information on various aspects of the 2019 TOB Atlantic Coast Championship events. These are also available to all boosters and fans.

Congratulations on another outstanding Tournament season! Enjoy your time off following your Atlantic Coast Championship performance – you deserve it!

I look forward to welcoming you to the 2019 Tournament of Bands
