3. **AWARDS:** Five students in uniform – 5 PER BAND – will meet near band gate and line up single file in performance order. After the follow the leader march to field, awards will be presented as announced. NJA adjudicators will move toward your students and meet them for presentation of TOB ACC plaque. Pictures are planned of each award. Top 3 places will move to front center as announced and will remain for a group picture.
4. **RECAPS:** TOB ACC 2019 score recap will be published on our website following awards – there will be no printed recaps distributed at ACC. This is the next step in the digital WINDI process, saving time and paper. Please share this with your staff members as well.
5. **SAFETY/SECURITY:** We ask that band directors, staff and parents meet awards students at the gates, off the field. With afternoon awards we are moving into the next show and need to keep performance areas clear. At the night awards stadium clean up begins at the conclusion of awards. We don't like to go on too long
6. **UNIFORM/BEHAVIOR:** We consider the awards ceremony of ACC a formal conclusion to your championship day and our TOB season. Uniforms identify and show school pride. That is why we require them for our awards. We expect students to represent their schools in a respectful and dignified manner. Thank you in advance for addressing this with the students you have selected to represent your school and community at awards.
7. **HERSHEY STADIUM NOTE:** During outside professional concert and some sporting events, HP does sell alcoholic beverages. This is NOT permitted during our TOB scholastic events. Signs still may be in place in the HP concession area, but there are no sales.

THANK YOU FOR YOUR COOPERATION WITH THE ABOVE ITEMS!
