

Photo and Video Policy

Tournament Atlantic Coast Championships

Due to numerous copyright restrictions, composer/arranger agreements, performer and guest safety, and personal confidentiality issues we ask that all audience, staff and performers be aware of the following:

Family, friends and fans may take still photos of TIA ACC events for personal use only. The images may not be sold or otherwise distributed on a website or in print without the written permission of the Tournament Indoor Association. As safety is paramount to all performers, any type of **flash photography is strictly prohibited.**

Please be considerate of the performers and the fans seated around you. Any equipment that may obstruct the view or path of travel of others in the stands are also not allowed.

All forms of videotaping and/or recording of this event is strictly prohibited.

Anyone found in violation of these requests are subject to dismissal from the arena without refund of admission.

Additional performance DVDs or PICTURES may be ordered on site, or on-line.

Thank you for your cooperation and support.
