

TO: TOB ACC Band Directors
FROM: Jeff Dent, TOB Director
DATE: September 26, 2022

With our annual Atlantic Coast Championships approaching, and some changes to be made, we are sending this to all registered TOB ACC Band Directors.

Our goal of the Tournament of Bands Atlantic Coast Championships is to provide a quality end of season finale for our member bands. In addition to providing the highest level of adjudication for these championship events, we also offer a positive experience for our bands, families, and fans.

And now in 2022, with the reduced number of TOB ACC competing bands, and the recent loss of our A Class site, we have had to adjust our plans for the November championships.

All TOB ACC performances will take place at Hershey Park Stadium on November 5-6, 2022. The schedule is adjusted to add the TOB A Class to the start of each day, with the TOB Open Class to follow later in the afternoon.
